The grand marshals lead the academic procession followed by the candidates for diplomas, faculty members, platform participants, the Superintendent of Schools and the President of the School Board.

NATIONAL HONOR SOCIETY

The purpose of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools. To be eligible for membership students must have a cumulative grade point average of at least 3.5. Additionally, potential members must meet high standards of leadership, service, and character. Leadership is based on the student's participation in two or more community of school activities or election to an office. To meet the service requirement, the student must have been active in three or more service projects in the school and community. Character is measured in terms of integrity, behavior, ethics, and cooperation with both students and faculty. Membership is an honor bestowed upon a student, and once selected, members have the responsibility to continue to demonstrate the qualities.

HONOR MEDALLIONS

The Honor Medallions are worn by the Valedictorian and Salutatorian graduates. At today's commencement exercise the Valedictorian and Salutatorian graduates are distinguished by medallions fixed to GOLD ribbons.

THE ALMA MATER

Deep within the forest green,
Nature's wonders hide.
Rays of sunlight can be seen
Reflecting our school pride.

Memories we hold fondly
Of years here and gone.
Our future's bright horizon,
Our success is at its dawn.

Visions deep within our hearts
Make our spirits soar!
Oh, with you our honor starts
